

# # Janawaz

**\*\*Janawaz\*\*** is a digital platform dedicated to amplifying the voice of the people. It serves as a civic engagement tool, promoting public accountability, digital protests, and real-time community issues.

## ## Vision

To build a strong, participatory democracy where every citizen's voice matters.

## ## Key Features

- Raise your voice on local or national issues
- Share public problems with evidence (photos, videos, etc.)
- Create digital petitions and protest

campaigns

- Connect with like-minded individuals for collective impact

## Founder

**\*\*Akshaya Pradhan\*\***

Youth Vice President, Biju Janata Dal  
(BJD)

Social Worker | Civic Tech Enthusiast |  
History Scholar

## Project Status

This is an initial version of the site. More updates and features will be added soon.
